Good evening everyone,

As mentioned in class earlier, you will have a vocabulary test during our first class of 2024 on the 18th. Please revise and learn all the vocabulary studied so far, more particularly the vocabulary in the toolboxes/wordboxes and vocabulary exercises. This will be your CC1 grade.

You will also have to make an oral presentation with one classmate about a famous influencer or a content creator. It will count as your CC2 grade.

Here are the requirements to follow:

1. - lasts for 5mns
2. - work by pair
3. - inform us about the following points :

Who is he/she and Why s.he is famous?

How did s.he start?

What sort of content does s.he offer?

Do you admire him or her? Why?

Who are his/her main competitors?

Do you think s.he can last in the long term?

What should s.he do to do so?

You will find the details of the grading sheet I will use as an attached file as well as your groups.

In the meantime, have a wonderful holiday with family and friends.

See you next year!

Emilie ROUSSEL
